The 2026 ACGRC Annual

Is proudly dedicated to:

RON AND JOANN DUNCAN

“We started in rabbits when our son wanted to show rabbits in our county 4H program. He got some rabbits, the guy said they were Checkered Giants. The older judge said those aren’t Checkered Giants, who then sent them to Casey Beaucamp and we started to show Checkered Giant rabbits. Boy what a start!

We met such nice people from all over the country. Our best rabbit was “Leslie.” She did so much winning for us. Ron and I started a 4H club for rabbits in our little town. I think Ron said we have shown in 16 states. So everyone should enjoy the hobby and the people! After 40 years we quit but we sure enjoyed the Checkered Giants. Brian Carter gave us the Ambassador Award in 1994. It was a great honor.”
